DEFENDANT ROBERT ALAN SHUCK

MANUEL MOOTS INTERVIEW

1 Mahoney: Would you mind telling me your first name?

2 Moots: Manuel

3 Mahoney: Ok.

4 Moots: Moots

5 Mahoney: Manuel Moots?

6 Moots: Yeah.

7 Mahoney: What's your date of birth?

8 Moots: 9-16-79.

9 Mahoney: Ok, Now can you tell me from the start what happened?

10 Moots: Like, all over again?

11 Mahoney: All over again, I apologize.

12 Moots: We...we came to my house and from my house we were walking back  
13 to her house...

14 Mahoney: Mmmhh (affirmative)

15 Moots ...and then we...were by the Warren tunnel right there, we seen  
16 her dad going up, going up to old Bisbee so we hopped in with her  
17 dad thinking he was going to give us a ride back to her house and he  
18 drug us all the way to Old Bisbee with him. So he was in the bar and  
19 we were wanting to go home, so I had my bike in the back of his  
20 and truck which Clarissa rode and then some dude that was  
21 standing outside the bar lent me his bike, so we were riding around  
22 the pit , or she had called Bob and she said Bob was on the way up  
23 for her so we were riding around like, just coming out of Bisbee right  
24 there and Bob pulls up and he tells Clarissa to get in and then all of a  
25 sudden I guess he notices I'm there with her or something and he  
26 peels out and takes off. So he goes...we kept riding and he swings

27 back around and he said some words or something, I couldn't  
28 understand him.....and he took off, but he...I thought he had went  
29 home but he was waiting for us right there on the bottom of Lowell,  
30 you know how your turn right there?

31 Mahoney: Yeah.

32 Moots: ....and that's when he said, "Clarissa get in the car" and I was on my  
33 bike still....I thought everything was cool and I just seen him....like  
34 grab...I mean I didn't see him punch her or nothing but he like  
35 grabbed her and threw her in the car and I had like two bikes to deal  
36 with and I told Bob like what the hell Bob and we said some words to  
37 each other and I left it at that.

38 Mahoney: What were the words said?

39 Moots: That he was going to fuck me up and I just told him ....I just told him  
40 fuck you, whatever you know what I mean? That was that....

41 Mahoney: Ok.

42 Moots: ....and he pulled out and took off umm and I just came home after  
43 that

44 Mahoney: Ok, uh what...

45 Moots: I mean we sent some text messages back and forth to each other,  
46 cause I told him I was pretty fucked up for what he did cause he  
47 thought she was lying to him or something which was...she was  
48 telling him the truth, I don't know but that's the whole story or  
49 something....I don't know if you want to read the text messages or  
50 what but .....

51 Mahoney: Well right now let's talk about what happened.

52 Moots: I just see him grab her off the bike and then that was it.

53 Mahoney: What do you mean he grabbed her off the bike like?

54 Moots: Just like, just like...take her by the hand and threw her in the car.

55 Mahoney: Ok.

56 Moots: And then I went to grab my bike and that's when he told me I'll fuck  
57 you up and I just told him fuck you Bob, I said that's fucked up I said  
58 whatever and I just left it at that.

59 Mahoney: Ok, what did the vehicle look like?

60 Moots: Mmm, white with a gold two tone, like gold on the bottom.

61 Mahoney: What kind of vehicle was it?

62 Moots: It was a Chevy Tahoe I think or a GMC maybe.....

63 Mahoney: Ok.

64 Moots: ...like one of your guys' but an older one.

65 Mahoney: Ok, uh what was his demeanor when he was getting out?

66 Moots: What was what?

67 Mahoney: What was his, what was he acting like when he got out of his vehicle?

68 Moots: Yeah, I think he was calm until he got close to her and then he  
69 started, he got in her face, I told him Bob what the fuck, what are you  
70 doing....that's when he just grabbed her and threw her in the car.

71 Mahoney: Ok, do you have both bicycles?

72 Moots: No, actually I had to stash one over there by the tunnel in Lowell over  
73 there...

74 Mahoney: A tunnel in Lowell?

75 Moots: Yeah, I have my other, I have the other bike.

76 Mahoney: Ok, so should the other bike.....should still be over there?

77 Moots: Yeah, it is there, actually I need to go get it.

78 Mahoney: Who rode that bike?

79 Moots: Clarissa was riding that bike.

80 Mahoney: The bike that's over there is the one Clarissa was riding?

81 Moots: Yeah, that's my bike.

82 Mahoney: Ok.

83 Moots: .....and then the other dude, the bike I have inside is some guy's from  
84 Old Bisbee. I don't know his name.

85 Mahoney: Ok.

86 Moots: But Matt knows him so that's why he lent me the bike.

87 Mahoney: Ok. Do you have anything? (addressing Sgt. Gardner)
